Cruisin' around Oneota

We've got a new feature for the Client Update! You've been used to reading about Midwest Group Benefits' employees in this space. Over the past two years you've 'met' them all. As new employees are hired, they will be profiled in this space. This month we're starting a new feature—our Agent / Agency Spotlight. We work with several great agents and agencies, and would like you to have the opportunity to get to know them.

AGENCY SPOTLIGHT—FINANCIAL DECISIONS GROUP—NEIL WILKINSON

I have worked in the financial planning arena since joining Financial Decisions Group in 1999. I graduated from Upper Iowa University in Fayette, IA with a BA in Finance and a BA in Business Management. I have worked very closely with Midwest Group Benefits the past three years to provide added-value service

and investment advice to participants in our 401(k) plans. Prior to joining FDG I owned a lawn care business and grain farmed while in college. Hobbies include golfing with my beautiful wife Heidi, as well as playing racquetball.
